

Career Ready Leadership That Works

CTEIG WORKSHOP OFFERING

Smart Strategies to transform your classroom

The focus of this workshop is to highlight the critical ingredients for high-quality CTE programs. Strategies for connecting the workplace to the classroom, using data to drive student achievement and classroom management techniques that allows for effective teaching and learning will be shared.

August 16, 2017

TIME

12:00 pm - 3:30 pm
Lunch and materials are provided

LOCATION

El Centro Eagles Lodge
661 W. State Street
El Centro, CA 92243

Or go to:
<https://sbcss.k12oms.org/>
2179-136145

Workshop Topics:

Maintaining Current Occupational Experience

Strategies to keep your occupational experience current will be shared:

- Industry conferences
- Teacher Externships/ Job Shadow
- Training
- Professional Development

Data for Program and Instruction Improvement

Using data for program and instruction improvement is not a judgement on a program but an opportunity for educators to identify program needs and make plans to reach a high quality CTE program.

Classroom Management and Design

Classroom management has a huge effect on student achievement and job satisfaction. Practical classroom strategies, for new and seasoned teachers, will be shared to maximize student learning and motivation which leads to a positive classroom environment.
