

# Volunteers make a difference

## Do you have 2 hours to share? We need you!

Promise Scholars works to encourage all our students to pursue their education after high school. You can help them create a vision for their future and prepare for success by sharing about your college and career path.

**What:** Serve as a Business Leader Presenter to 6<sup>th</sup> graders at a Ontario-Montclair School District school. You will present to two 6<sup>th</sup> grade classrooms. Each 20-25 min. classroom presentation is followed by a short Q&A session where you answer questions about your career and training.

**Who:** Anyone with a technical certificate, professional license, AA Degree, BA Degree or higher

**When:** Usually the first Friday of each month from 8 - 10:00 AM

**How:** For more information about volunteering for the **6<sup>th</sup> Grade Business Leader Presentations**, please email Crystal Lam, Promise Scholars Elementary Supervisor @iscuw.org or call (909) 284-1563 for more information.

We need your help in creating a positive future for OMSD students. **Please consider volunteering with us to strengthen our community and build our regional workforce.**
